Instructions about Application

Application for the Master's programme takes place in two steps;

1. on *Universityadmissions.se* and
2. on the Academy's application portal where the following are uploaded;
 - CV,
 - motivational letter and
 - work samples

Note that your application cannot be processed unless both steps have been completed.

Deadline for application is 16 January, 2023.

1. Application at Universityadmissions.se

Visit www.universityadmissions.se and follow the instructions carefully. Double check that ALL your relevant grades are uploaded here. You will receive a confirmation of your application by email. This confirmation will include an application number. Please save your confirmation!

Take note of your application number and continue with the second step (see below). You need to fill in the application number in the electronic application form in step 2 in order to link your application at Universityadmissions.se with the documents you upload in the Malmö Theatre Academy application portal.

2. Uploading of documents and work samples in the Malmö Theatre Academy application portal

Visit https://ansok.kkh.se/teater_master_2023/, create a profile and upload:

Your CV

Please make sure to upload your CV as a pdf.

A motivational letter.

Maximum 2 A4-pages, 8000 characters. Make sure to upload your motivational letter as a pdf.

The letter should include the answers to the following questions:

- o Why are you applying for this programme?
- o What are your expectations of the programme?
- o Do you have a specific project related to the programme?

Two relevant work samples

Please provide links to documentation of two relevant work samples.

- Provide one link to the documentation of each work sample
- Provide the title, year, your role, as well as a short description (maximum 1500 characters), including a reflection on why the work sample was chosen and how it is relevant for the application to this programme.

Submit your documents and links to the portal. You will receive an automatic reply via email confirming that your documents and links are received.

If you have problems uploading your work samples, please contact us via email:

master@thm.lu.se

Please note: It is the applicant's responsibility to ensure that the work samples are complete and that they are submitted in the correct format and that any supplied links lead to the correct destination. Do not send your work samples to the admission email. They will end up in the wrong place and your application will not be considered complete.

Upload your supporting documents and work samples no later than 16 January, 2023.

THANK YOU FOR YOUR APPLICATION!
